Subject: Guidelines / SOP for IoT Integration of Soil Test Equipment -reg.

Sir,

I am directed to refer to this Ministry's D.O. letter dated 2nd February, 2024 (copy enclosed) and to say that it was requested to States to undertake IoT Integration of soil testing devices so that typographical error could be avoided and real time monitoring in STLs be ensured. Contact details of Shri Sandeep Kondaji, portal developer of Soil Health Card was also shared.

2. List of soil testing equipment manufacturers have been consolidated and forwarded herewith alongwith guidelines/SOP for IoT Integration.

3. States are requested to provide necessary support to facilitate discussion with equipment manufacturers to the Krishitantra team (Soil Health Card portal developer/ maintainer) so that IoT Integration could be completed at the earliest.

Yours faithfully
